| (2) Bangalore (Civil Area) | (8) Kanakapura |
| (3) Mysore | (9) Sivasamudram |
| (4) Bhadravathi | (10) Jog |
| (5) Kolar Gold Fields | (11) Shimshapura |
| (6) Chikballapur | (12) Bellary |

The exact number of installations which are coming under this scheme cannot be anticipated. It depends upon how many consumers are willing to take advantage of this scheme. However, a list of pumping sets which are expected during the next five months sectionwar, can be had at the Office of the Special Superintendent, Lift Irrigation Scheme, No. 7, Crescent Road, High Grounds, Bangalore-1. The quotation should be applicable for a single set or more number of sets and should hold good till the end of September 1954.

(2) Materials for cement concrete foundation will have to be provided for by the successful tenderer but cement required for the work will be arranged to be supplied through the department, if required ; the cost of supply together with 10 per cent stock incidentals being recovered from his bill of cost for the installation of the irrigation pumping sets.

(3) Each tenderer should be conversant with the latest wiring rules of the Department in so far as they are applicable to the power installations as detailed in the Wiring Rules Book issued by the Secretary, Wiring Rules Committee, and which can be obtained from him or from any of the abovementioned Sectional Officers at a cost of Rs. 2 per book.

(4) The tenderer should furnish, along with quotation, his capacity to undertake the work within the stipulated time, which may be not more than 2 to 3 weeks from the date of order of the work.

(5) The tenderer should furnish detailed specification of the materials, such as, conduit pipe, insulated wires, iron-clad switches, starters, etc., mentioning the name of manufacturer. All materials should conform to latest B.S.S. specifications.

(6) The successful tenderer will be required to submit to the Special Superintendent, Lift Irrigation Scheme, No 7, Crescent Road, High Grounds, Bangalore-1, or the sectional Officers, samples of wiring materials, switches and other electrical equipments to be proposed to be used in the installation and use only such materials as are approved by the Special Superintendent or the Sectional Officers.

(7) The work of installing the pumping sets will be supervised by the Departmental Officer or Officers from time to time and any portion of work, which is found to be below the departmental standard work, will have to be re-done at the tenderer's own cost.

(8) The successful tenderers will be required to deposit an earnest money of Rs. 25 per each installation wiring work awarded to him, which will be forfeited to the department if he does not carry out the work as per agreed terms of order.

(9) The tenderers may also please note that the department will render all reasonable help to enable the tenderer to complete the work well in time in the interest of the department, of the ryot and his own work.

As the work of installing and servicing the I. P. Sets is put on the topmost priority under the "GROW MORE FOOD" Scheme, speedy execution of the work is of utmost importance and, therefore, the tenderer should have reasonably well-established organization to carry out these works expeditiously, as per contracts to be awarded to him by the several Sectional Officers from time to time.

The quotations superscribed "Tender for supplying installing and wiring the motor-driven I. P. Sets" should be submitted so as to reach the Office of the Special Superintendent, Lift Irrigation Scheme, No. 7, Crescent Road, High Grounds, Bangalore-1, not later than 10th March 1954.

Tenderers who are only in a position to supply pumpsets complete with motor, starters and foot valves may quote for these materials.

Tenderers who are in a position to supply complete pumpsets as above and instal and wire the same may also quote as a complete tender, which should be in two parts, one for the material and the other for installing and wiring.

The tender may be given by any firm, but the wiring of the installation should be got executed through a Licensed Electrical Contractor, the responsibility for the same, however, rests on the tendering Firm.

If any of the tenderers are willing to take up the construction of the pump house in any particular area, they may intimate their willingness to do so, the specifications and particulars may be ascertained at the Office of the Special Superintendent, Lift Irrigation Scheme, Bangalore-1.

Any further details required may be got at the office of the Special Superintendent, Lift Irrigation Scheme, No. 7, Crescent Road, High Grounds, Bangalore-1.
